influences the life of each person who enters through its doors. It strives through its faculty and administration to prepare each student for his adult role in life. This preparation is gained by hard work, determination, practice, and cooperation and is enriched through many friendships. It is with a feeling of pride and preparedness that the 1969 Cavalier staff presents to you Gloucester High School.

## Another Year Begins

with the usual amount of enthusiasm and confusion over classes and schedules. Adjustments proceeded quickly--all things considered--and soon the work began in earnest: Old friendships were renewed and new ones started as the high school came to life again.

### Dedication

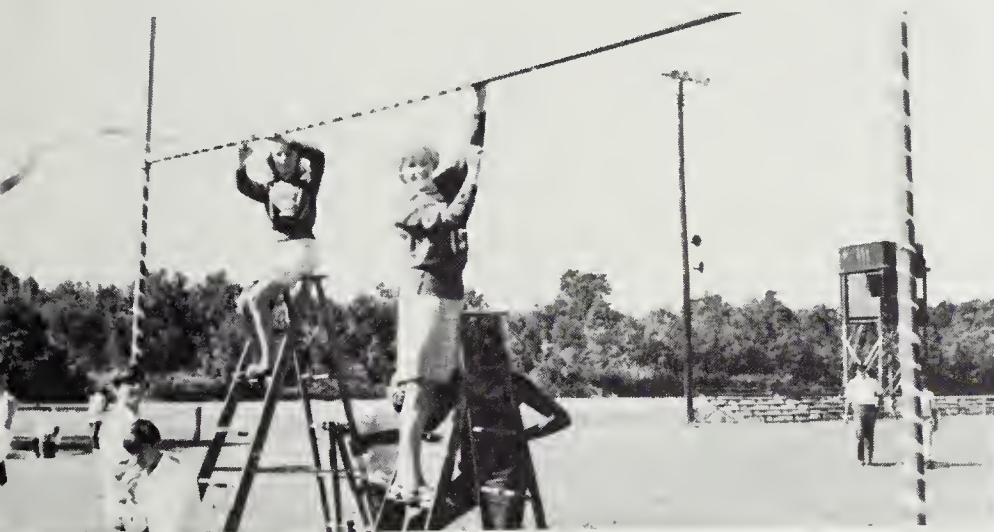

With reflection of the past two years, many thoughts go racing through our minds. There are thoughts of beautiful rings, a yellow brick road, concession stands, and chairs lingering after hours of dancing have past. But, indeed, only one moment more brings thoughts of someone who praised us when we reached success, encouraged us when we fell into misfortune, and often reminded us of our forgotten shortcomings. Both as a teacher and as an adviser you have accepted every member of the Senior Class as your friend. And now, by dedicating the 1969 Cavalier to you, we would like to thank you for your patience, your time, and your efforts, and recognize you as our friend,

DONALD EDWARD MINER, JR.

# There's Always Time For Fun

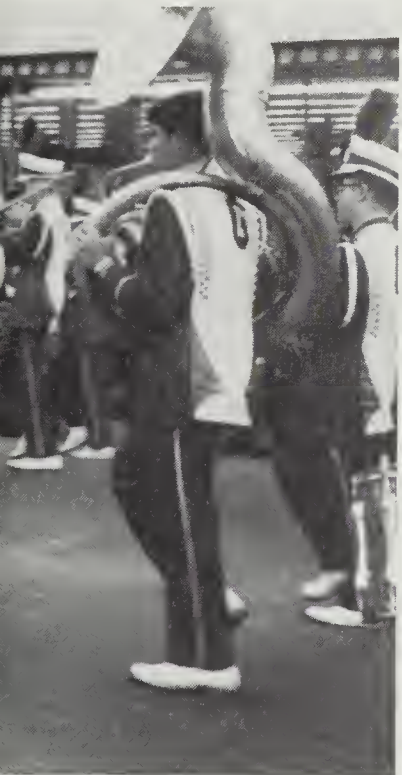

# Unlimited Spirit

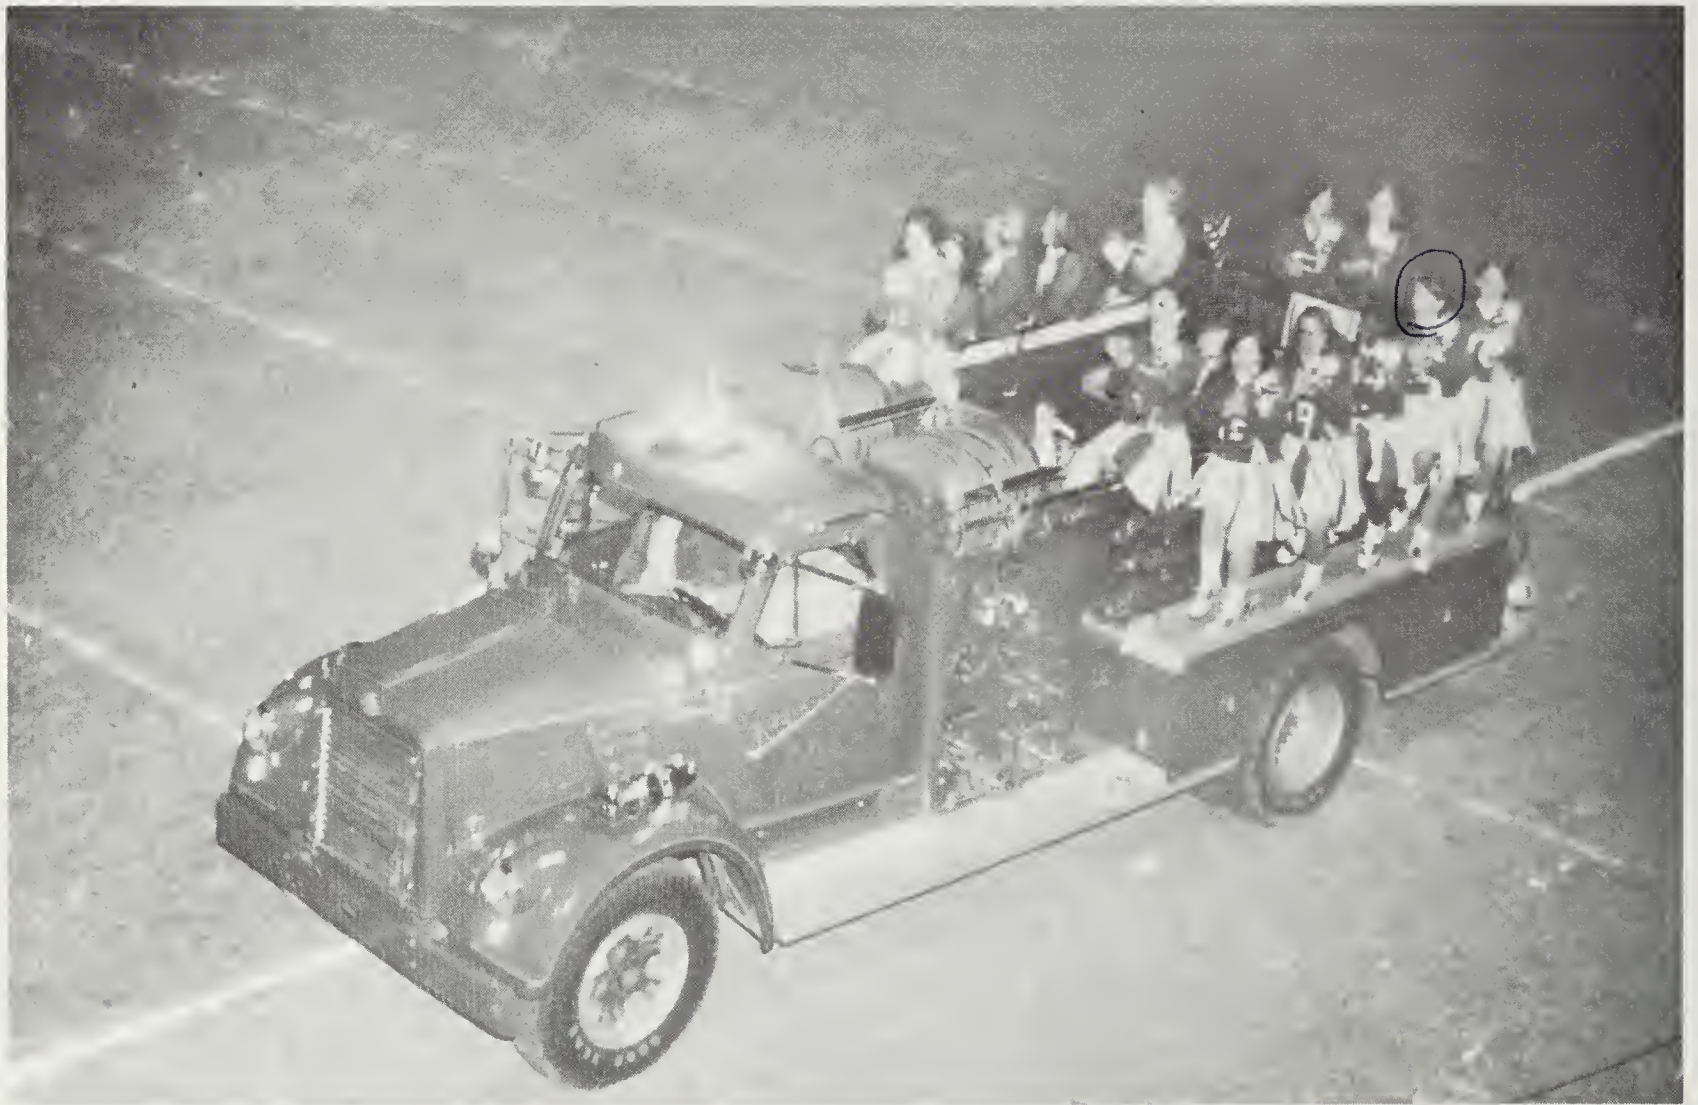

is provided at G.H.S. by the cheerleaders, band, drill team, pep club, and the entire student body. Our school spirit has always been a source of pride, and it seems to increase each year. Whether ahead or behind, our team, knowing we're behind it, does its best.

## Spirit Comes In All Forms

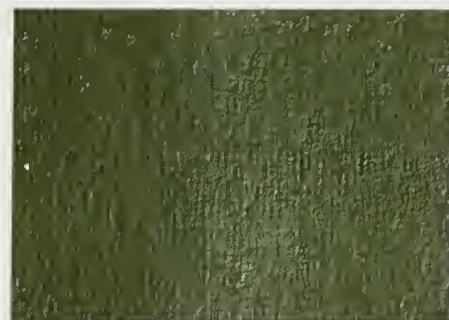

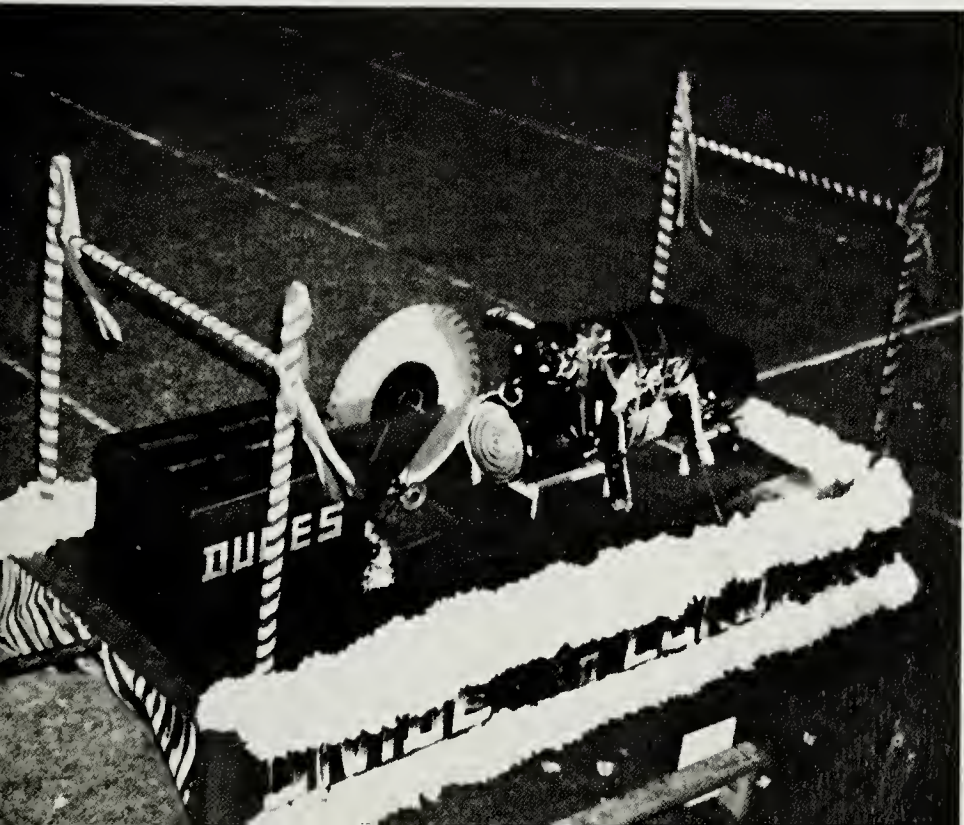

# Cooperation And

# Effort,

integral parts of all functions at Gloucester, are cumulated in Homecoming and the Prom. These activities require long hours of thought and hard work, but result in immeasurable enjoyment and never to be forgotten moments.

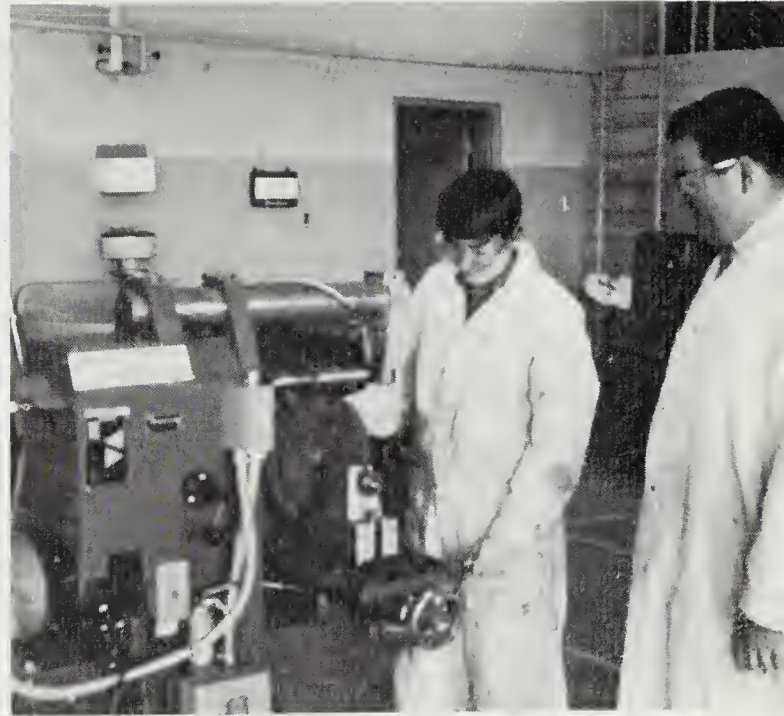

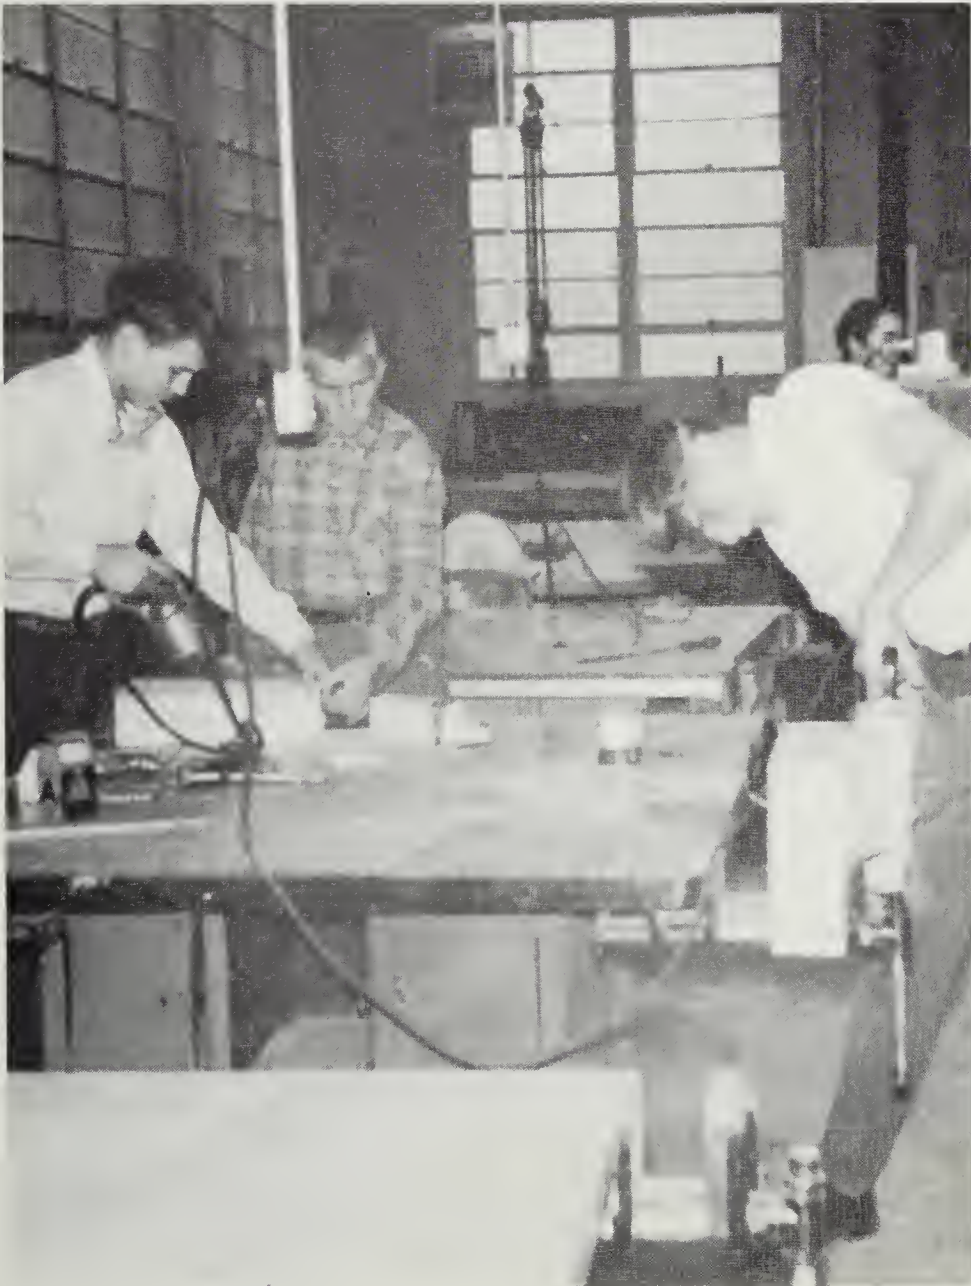

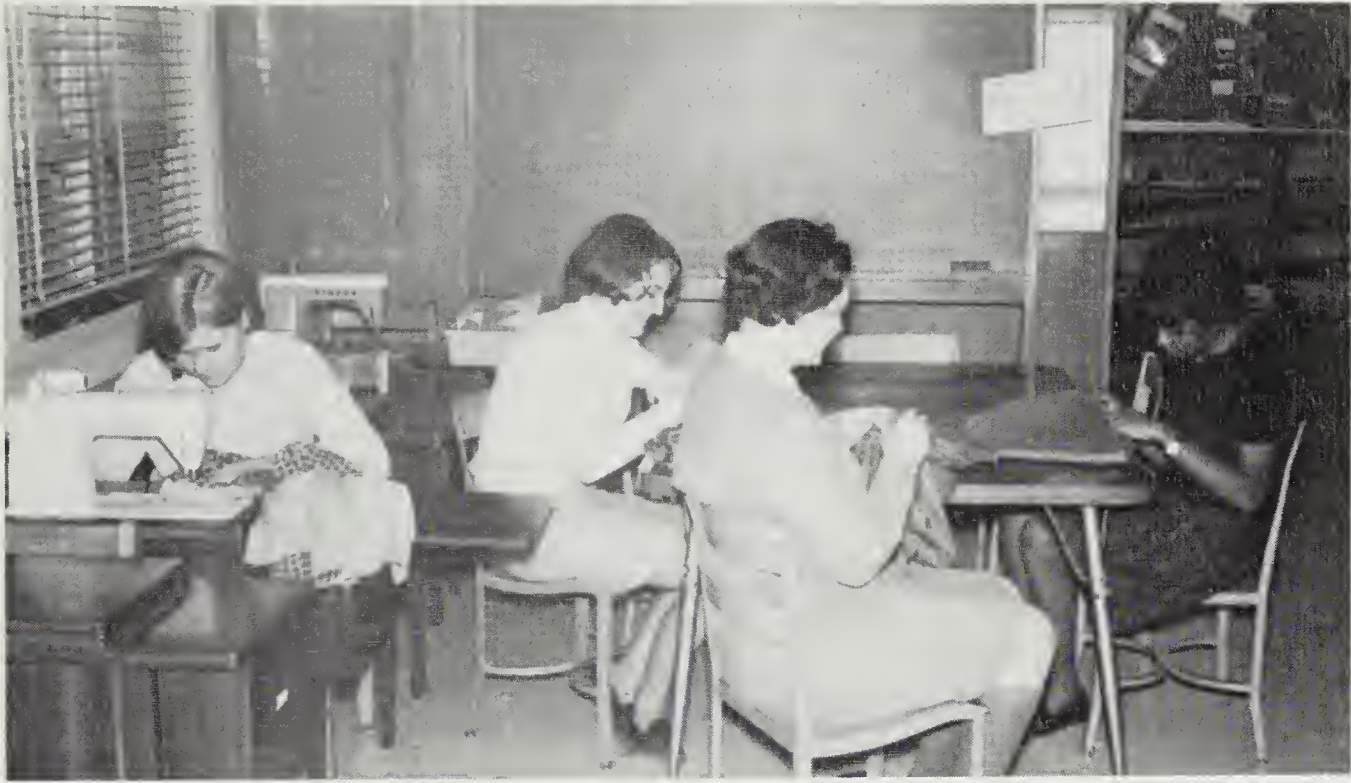

## An Expanded Curriculum

helps to increase the students' interest and desire to learn. The vocational courses give students a chance to develop skill and gain practical knowledge in the field in which he has particular interest. The increase in lab equipment and the offering of a third year in French and Latin raised our academic standards.

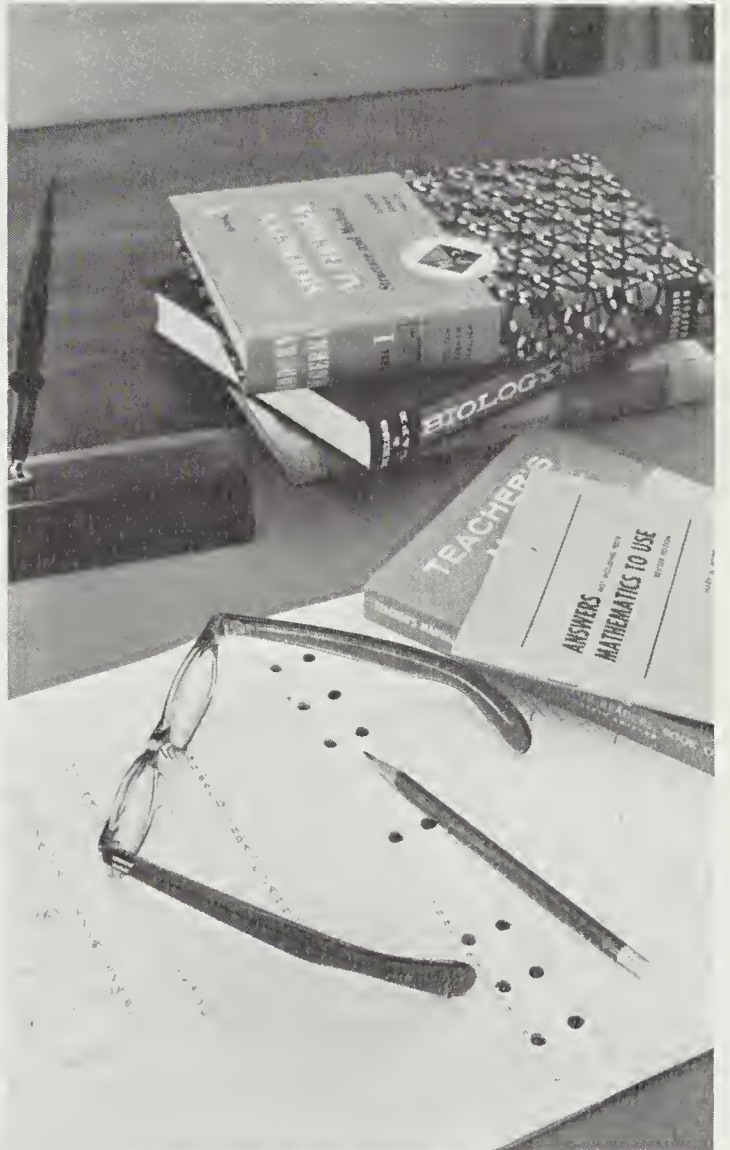

# Final Preparation

is completed and each Senior is faced with the momentous decision of his future career. Regardless of his selection, he will leave Gloucester High School well prepared, holding the full encouragement of all who know him.

Not only was Richard M. Nixon elected President by the voters of the United States, but he was also elected by the voters of Gloucester High. A campaign assembly was held in which speeches were given for each candidate. George Wallace was represented by Garry Barnette and Keith Bradley; while Hubert Humphrey's qualifications were affirmed by Steve Pointer and Kenneth Roy. In their speeches, Huey Newton and Rannie Boyd assured us that we should give our solid support to Richard Nixon. Everything was kept in hand by Charlie Dischinger, moderator.

Twenty new members were inducted into the Beta Club this year, giving it a total enrollment of fifty-six. The purpose of the Beta Club is to promote ideals of honesty, service, and leadership among high school students, to award meritorious achievement, and to help students continue their education after high school. Their motto is "Let us lead by serving others." With this in mind, the club has posted Beta Citizen Calendars every month, held an assembly on flag etiquette, and distributed national flags to each homeroom. Betas also added much to G.H.S. Christmas spirit by sponsoring a door decorating contest. With the help of their advisers, Mrs. Paulson and Miss deKrafft, the Beta Club has done a fine job in cultivating ideals of service and leadership in our citizens of tomorrow.

## Drama Club

The emphasis in the Drama Club this year has been on one-act plays. The goal for this year was to present a play every six-weeks. At present two fine one-acts, "Afraid of the Dark" and "The Big Black Box", have been presented. The first three-act of the season, "Abie's Irish Rose", was produced on January 9th and 11th. The newest addition to Dramatics at G.H.S. has been a drama class. The selection, direction, casting, and some of the acting for the one-acts are all a part of this class' work assignment. The class has already written, cast, and produced a play which was presented at the Thanksgiving Assembly. A baby contest was held and proceeds went toward improving the stage. A large, movable, spot light has already been purchased. At least three more one-acts and another three-act have been planned for the spring.

The purpose of the National Thespian Society is to help further the dramatic arts in secondary schools. Troupe #3099 began last year with 25 charter members and elected the following officers for this year: Elaine Newton, president; Richard Gamache, vice-president; Cheryle Tilson, secretary; Myra Horsley, treasurer; and Bill Hicks, scribe. The all-thespian cast of "Afraid of the Dark" traveled to G.I.S. to present their play in addition to their performance here. An induction of new members will be held in February at which time all Drama Club members who have earned the required quality points will be admitted. The Thespians, throughout this year and years to come, will continue to devote their time, talents, and sincere interest to drama at G.H.S.

Many long hours of practice went into developing the drill precision of the Gloucester High School Marching Band. Throughout the entire football season, they have provided the school with some of the finest half-time shows in G.H.S. history. They have also represented Gloucester in parades at Bristol, Urbanna, Williamsburg, and at the Peanut Bowl. The band has added much to the spirit of G.H.S. this year.

The Gloucester High School Pep Club is the largest club in the school with 276 members. The officers for this year were: John Green, president; Jamed DuBose, vice-president; Portia Goode, secretary; and Gray Kirtley, treasurer. Loyal Pep Club members travel many miles to cheer the Dukes on to victory. This screaming mass of enthusiasts lets everyone know that the Pep Club does not start one year to stop the next, but that it is a continuous part of the indomitable spirit of G.H.S.

GOOD SHIPS START HERE

Fine ships don't roll off a production line. They're built efficiently and well only by men whose skills and knowledge are broad. That's why Newport News begins at the beginning with its own selective Apprentice School.

High School graduates enter on the basis of academic record. But selectivity doesn't stop there. In classroom and shop, in the drafting room and out in the yard, each man's

special abilities are watched and developed.

Some become skilled and versatile machinists. Others become expert electricians or precision tool makers. Many become supervisors. Some earn scholarships for advanced training at colleges and technical schools.

We think the School's a pretty inspiring place, because its end results are good men and good ships.
